Magic Lesson ski lesson program for everyone to enjoy and learn!

APPI Happy Kids School is the first school to bring in the "Magic Lesson" program in the Tohoku region. The Man-Made ski slope and the friction mat are unique to this program, also the one and only teaching way which is developing in Japan.

After practicing at the indoor studio, children can finally ski without fears on the actual snow.

For more information on Happy Kids School, please check the website.
