### Travel conditions (summary) When applying, please be sure to receive the travel conditions (full text) and check the contents in advance before applying.

1. Recruitment type planned travel contract  
This trip is planned and implemented by Michinori Travel Tohoku Co., Ltd. (1-17-18 Kuriyagawa, Morioka City, Japan Tourism Agency Registered Travel Agency No. 2012, hereinafter referred to as "our company") and provides this trip. The customer will conclude a recruitment-type planned travel contract (hereinafter referred to as "travel contract") with us. In addition to the following, the travel conditions are based on the travel contract (full text) that is handed out separately, the final itinerary that is handed out before departure, and the travel agency contract recruitment type planned travel department.  
2. Handling of personal information  
(1) The Company and the dealer will use the personal information described in the application form, etc. submitted at the time of travel application for communication with the customer, as well as the travel requested by the customer. We will use it within the scope necessary for the procedure for arranging services provided by transportation / accommodation institutions and receiving those services.  
3. Cancellation fee  
After the travel contract is concluded, if the contract is canceled due to the customer's convenience, the following amount will be charged as a cancellation fee. Going back from the day before the travel start date

1. Cancellation before the 21st day (11th day for a day trip) . . . . . Free  
2. Cancellation after the day 20 days before (10th day for a day trip) (excluding 3 to 6) . . . . . 20%  
3. Cancellation after 7 days (excluding 4 to 6) . . . . . 30%  
4. Cancellation the day before departure date . . . . . 40%  
5. Cancellation on the day (before departure time) . . . . . 50%  
6. Cancellation after departure or no-show . . . . . 100%  
4. Change of travel schedule / travel price.  
The travel schedule and price may change due to the schedule of the transportation agency, weather conditions, or other reasons such as force majeure, or due to revisions to the fare / charge of the transportation agency. However, when the travel price is increased or changed, the customer will be notified before the 15th day, counting from the day before the travel start date. In addition, if there is a change in the travel content due to the customer's request, a separate fee will be charged.  
5. Special compensation  
For certain damages incurred by the customer during travel, life, body, or luggage, regardless of whether or not the Company is liable, the deposit and condolence money will be paid according to the provisions of the special compensation provisions.  
6. Disclaimer

We are not responsible for any damages caused by the customer due to the following reasons. Natural disasters, riots, or changes in travel itineraries or cancellations of travel caused by these. Accidents or fires at transportation / accommodation facilities or Change of travel schedule or cancellation of travel caused by these. Isolation due to orders from Japanese government offices or infectious diseases. Damage caused by accidents, food poisoning, theft, water accidents, etc. during free movement. Delay, interruption of transportation, change of travel schedule or shortening of stay at destination due to these.  
7. Cancellation  
Depending on the course, if the number of customers is less than the minimum number of people required for departure, the trip may be canceled. In this case, we will contact you 13 days before the day before the travel start date (before the 3rd day for the day trip), and we will refund the travel price to the customer. We will refund the full amount.  
8. Tour conductor ... In principle, we will accompany you.  
9. This travel condition is based on March 1, 2022. In addition, the travel price is calculated based on the valid fares and rules as of March 1, 2021. We will not re-travel under any circumstances.  
10. Others are subject to our travel business agreement.

Local guide will navigate this tour on the spot.

**52 Places to Go in 2023 (The New York Times 2023/01/12)**

Until this past October, Japan maintained some of the most stringent travel restrictions of any major country. Now, travelers are beginning to stream back to popular destinations like Tokyo, Kyoto and Osaka.

The city of Morioka, in Iwate prefecture, however, is often passed over or outright ignored. Circumscribed by mountains, it lies a few hours north of Tokyo by Shinkansen, the Japanese high-speed rail lines.

Morioka's downtown is eminently walkable. The city is filled with Taisho-era buildings that mix western and eastern architectural aesthetics as well as modern hotels, a few old ryokan (traditional inns) and winding rivers. One draw is an ancient castle site turned into a park.

## Hachimantai Snow Corridor and Hirosaki Castle Cherry Blossoms

& lunch with Tsugaru Shamisen Live
